CAREER OBJECTIVE

Certified Full-Stack Developer with a strong foundation in the MERN Stack. Through hands-on projects, I have built practical experience in developing end-to-end web applications, including secure authentication systems and business directories. I am focused on writing clean code and building user-friendly interfaces, and I am eager to contribute my technical skills to a professional team as a Graduate Developer.

PROJECT

Om Sakthi Printers Website (Live Project) – MERN

Tech Stack: MongoDB, Express.js, React.js, Node.js, Tailwind CSS, Framer Motion, GSAP

- Developed a modern and responsive business website for a printing service using React.js and Tailwind CSS with reusable components and clean UI design.
- Implemented interactive animations and smooth user experience using Framer Motion and GSAP.
- Built RESTful APIs with Node.js and Express.js for managing products, categories, services, and customer enquiries.
- Integrated MongoDB for secure and efficient database management.
- Created dynamic features like category filtering, live search, design previews, and responsive product displays.
- Developed an Admin Dashboard with CRUD operations and implemented JWT authentication with role-based protected routes.
- Optimized performance using lazy loading, scalable architecture, mobile-first responsive design, and deployment-ready configurations for Vercel / Render.
- [Live Preview: https://www.omsakthiprinters.in/](https://www.omsakthiprinters.in/)

Developing a complete real-world MERN stack business solution with modern UI/UX, animations, admin management system, and scalable backend architecture.

CERTIFICATIONS

- **MERN Stack Development** - [\[View Certificate\]](#)

KGiSL Micro College, Coimbatore | 2025

- Specialized in React.js, Express.js, Node.js, and MongoDB.
- Successfully completed the full-stack curriculum.

EXPERIENCE

MERN Stack Developer Intern

KGiSL Micro College, Coimbatore | Jul 2025 - Jan 2026

Software Developer (Full Stack)- Fresher

signpost celfon.in technology | Dec 2025 -Present

EDUCATION

Bachelor's Degree in Computer Science

2022 - 2025

Sri. Ramasamy Naidu Memorial College , Sattur

TECHNICAL SKILLS

- **Front-End** : HTML5, CSS3, Bootstrap, JavaScript, React.js
- **Back-End** : Express.js, MongoDB, Supabase, SQL
